St. Ann's Residence Newsletter

September 2020

Mission: To provide a caring home for seniors where they can find calm from the storms of life, regardless of status.

Administrator's Letter

Hello Everyone,

What a year this has been. I know you are all waiting for life to resume as it had been, but I hope you can appreciate the things that we have been able to re-open. The partial dining room experience, the Little Store, outdoor Bingo and of course outside visits and the addition of essential caregivers. I would like to remind everyone that the world hasn't improved in regards to COVID-19, the outbreak in our country is worse. Many stores and restaurants have re-opened only to close again. I just heard that Grandma's, Grandma's Sports Garden and Little Angie's have all just closed. Mask wearing and hand sanitizing is the new normal everywhere. What we had hoped would be weeks has turned into months, so thank you for wearing your masks and doing your part to keep St Ann's as safe as it can be during this time.

Just to let you all know, we have purchased the land that the Synagogue was located on in June. We will hopefully be able to have more parking spaces available for employees and visitors.

It is time to remove the chairs from the hallways. We did it as a way to cope with the outbreak when it was here, but they are a fire code violation and need to be removed. The hallway chairs will be removed Tuesday, September 8th, 2020. You will still be receiving room service. Please just keep your tray in your room (not on the floor) and food service will retrieve it.

Stay Positive!

Sincerely,

Scott and Jan

Reverend Bob is now able to have Bible Study on Tuesdays at 2:00pm in the EWMR, starting on the 8th. This is a limited activity, so it is by invitation only at this time. He is also having Ceramics on Thursdays at 9:30am in the EWMR, starting on the 10th. This too is still a limited activity.

We now have absentee ballots available for anyone who would like one. The election is Tuesday, November 3rd. You can contact Sharon at extension 105 to request your paperwork. The sooner you get it filled out and mailed in, the better. Remember, every vote counts!!
